---	--

Date: 23.06.2017

Replies to Queries of the Bidders- II

SUB: Replies to queries of the bidders – II against Tender for Procurement of RPD Meter & EVCs for CGD Network of MNGL, Pune

REF: Bid Document No. MNGL/C&P/2017-18/29 dated 02.06.2017, Addendum – I dated 16.06.2017 & Reply to bidders queries dated 17.06.2017.

Dear Sir,

Following are the replies to queries of the bidders. Kindly note the same.

Sl. No.	Bidder's Query / Clarification	MNGL' Reply
1	<p>While going through the reply / confirmation we understand that you have reconfirmed the RPD meter rangeability requirement as 1:200 for all meters.</p> <p>We would once again like to request you to reconsider & review this 1:200 rangeability confirmation.</p> <p>As per EN 12480, acceptable error for RPD meters is Qt to Qmax: +/- 1% Qmin to Qt : +/- 2%.....(where Qt is transitional flow rate values. As per EN12480, for meters with rangeability above 1:50, it shall be 0.05*Qmax)</p> <p>Hence, while specifying rangeability requirement, it is very important to specify the acceptable error for the specified rangeability.</p> <p>The 1:200 rangeability at above specified accuracy / error is very unstandard and not possible for most of the vendors. Hence request you to accept following best standard rangeability with accuracy as per EN 12480. Below specified rangeabilities are accepted by MNGL in all their earlier tenders and all other CGDs also accept these rangeabilities.</p> <p>For RPD Meter G25 & G40 rangeability it shall be 1:100</p>	<p>Following rangeability and error is to be considered:</p> <ol style="list-style-type: none"> 1. G25 and G40 RPD meter rangeability: 1:100 2. G65 and G100 RPD meter rangeability: 1:160 3. Permitted Errors: ±2% (QMIN TO 0.1QMAX.) & ±1% (0.1 QMAX TO QMAX.)

 MAHARASHTRA NATURAL GAS LIMITED	REPLY TO BIDDERS QUERIES – II AGAINST TENDER FOR PROCUREMENT OF RPD METER & EVCs FOR CGD NETWORK OF MNGL, PUNE Bid No.: MNGL/C&P/2017-18/29
---	--

	& For RPD Meter G65 & G100 it shall be 1:160. And accuracy requirement as, Qt to Qmax: +/- 1% Qmin to Qt : +/- 2%	
2	Extension of Due Date of Submission of Bid & Techno-Commercial Bid Opening Due Date & Time	Due date of submission of bid is extended upto 07.07.2017, 15:00 hrs. Techno-Commercial Bid Opening Due Date & Time is extended upto 07.07.2017, 16:00 hrs.
