Replies to Queries of the Bidders

SUB: Replies to queries of the bidders for Tender for OFC blowing & associated works from Deshmukh Petrol Pump to Katraj Depot in Pune City for CNG & CGD Network of MNGL, Pune

REF: Bid Document No. MNGL/C&P/2016-17/107 dated 20.02.2017.

Dear Sir,

Following are the replies to queries of the bidders. Kindly note the same.

Sl. No.	Bidder's Query / Clarification	MNGL' Reply
1	As per our previous experience of OFC maintenance in all SOR of above tenders trial pit items are not included. Trial pits qty. are very important because as per site survey ducts are damaged min 50 to 100 mtrs some places and some places duct condition is ok for 500 to 600 mtrs.	The consideration for the quantity of pits is in bidder's scope. Bidders shall quote accordingly.
2	Here with we also mention that for trial pit PMC and PCMC permission require. Please addendum the trail pit qty. min 20 per km and clear about PMC and PCMC permission for trial pit as well as for construction of chamber.	MNGL shall pay to PMC & PCMC and other government bodies as per official demand note received for excavation of pits. However, follow up with authorities for getting of demand note and permission for excavation of pits is in bidder's scope.
3	Extension of bid due date	Due date of submission of bid is extended upto 03.03.2017, 15:00 hours

Please submit the signed & stamped copy of Replies to Queries of the Bidders along with tender document with your techno-commercial offer as a token of acceptance.

All the others terms and conditions of the bid documents are unchanged.

With regards.
