4	<p>4.0 BIDDERS' ELIGIBILITY CRITERIA 4.1.3 The manufacturer should have supplied at least 50% of the quoted Items for CNG Services in the last 5 years reckoned from the bid due date.</p> <p>-We request MNGL to consider relaxing the criteria in terms of 4.1.3 or consider item wise price evaluation. You may also think of allowing supply of last 10 years as qualification criteria or reducing the quantity to 25% of the tender quantity. Please advise asap your acceptance of our request.</p>	Tender Condition prevails.
5	<p>TECHNICAL SPEC. No. MNGL/TS/Hoses/01 FOR HOSES Clause no. 1-A (Page no. 105 of 110)</p> <p>Breakaway coupling for 3/8" ID HOSE Make- OPW /Parker</p> <p>-We would like to propose OPW FLB-1000 car Breakaway. We wish to inform you that other CGDs and OEMs are using OPW FLB-1000 car breakaway coupling. Request you to kindly incorporate proposed product into your Tender.</p>	Bidder to note that we have already approved OPW make for breakaway coupling provided it should meet the specified technical criteria.
6	<p>We would like to have clarification for the inspection cost along with the TPI agency name.</p>	Supplier need to submit manufacturer's inspection test certificates to MNGL to obtain inspection release note.

Please submit the signed & stamped copy of Replies to Queries of the Bidders along with tender document with your techno-commercial offer as a token of acceptance.

All the others terms and conditions of the bid documents are unchanged.

With regards.
