

Design Concept

BRAND COLOURS

Verdant Green – The Promise of Sustainability

Symbolizes renewal, growth, and harmony with nature. It embodies MNGL's commitment to clean energy and building a greener tomorrow.

Oasis Blue – The Essence of Life

Inspired by water and sky, it represents purity, calm, and balance—reminding us that MNGL is a life-giving force in the urban landscape, much like an oasis.

Solar Orange – The Spark of Energy

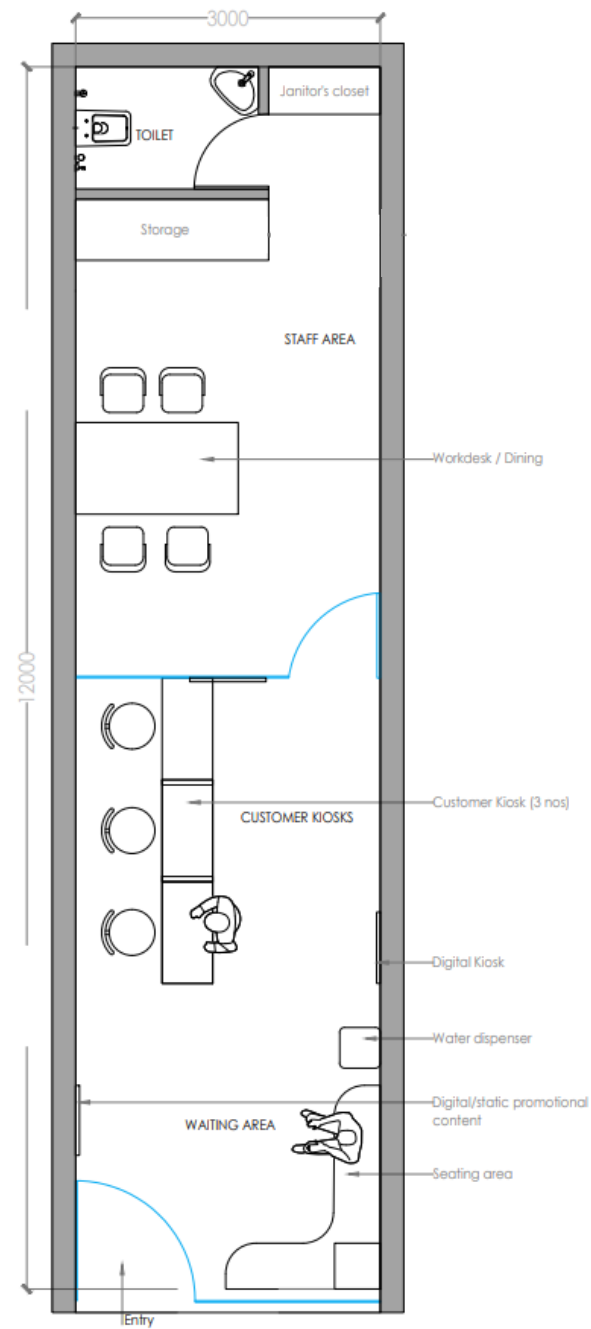

Radiates vitality, warmth, and optimism. It reflects the dynamic energy of gas that powers progress while nurturing communities with responsibility.
